Dan – We would like to talk over the water/404 comments on the Pebble FEIS with you prior to the RA briefing in the afternoon.

This meeting was requested by Cami as an informal opportunity for us to describe to Dan the points we definitely want his support to be maintained in the FEIS comment letter.

- During our call, we will do a round robin and I would like to all to please highlight:
- The most important “Aquatic Resource” comments that are in the FEIS comment letter.
  - Ex. 5 Deliberative Process (DP)
